FROM: [Redacted] 25X1
Legislation Division
Office of Congressional Affairs

SUBJECT: 8 December DCI Appearance Before HAC

1. We have received questions for the record from Congressman Young following the 8 December DCI appearance before the HAC on Iran. I have also attached at Tab B additional questions for the record received from the HAC which your office may be able to answer. (See Tab A)

2. Although I can probably answer most of these questions from my own knowledge of the case, I believe that it would be useful to sit down with Leo for about an hour and review the facts and the proposed answers. It is, therefore, not necessary for you to answer these questions in writing.
